YOGA

Hatha Yoga

Will be consisting of variety of postures suitable for all abilities. We begin with breath awareness, before moving through a varied sequence of traditional standing poses, arm balances, forward bends, back bends, twists and inversions. We finish with a well-deserved savasana, lying on your back as you relax.

Vinyasa Yoga

This moving meditation consists of carefully curated sequences, seamlessly woven together for complete fluidity. This an energising practice, encouraging you literally 'go with the flow'.

Yin Yoga

This practice uses long pauses in restorative, passive poses to cultivate inner stillness and calm. Stretches of three to five minutes enable connective tissue to release and realign, increasing flexibility and restoring the flow of Qi within the body.

Ashtanga Yoga

An athletic and dynamic yoga form of Hatha yoga that will challenge your practice. While it is very physical practice but it is also promotes mental clarity and inner peace.

Core and Restore

A dynamic group session combining energizing yoga-inspired cardio movements with targeted core strengthening, followed by restorative stretches to leave you balanced and refreshed.

PILATES

Pilates Mat

Learn the basic foundation of Pilates mat exercises in this workout while using your body weight as resistance. This class helps to improve posture and core strength, muscular endurance and flexibility while elongating and strengthening the spine.

Pilates Props

Vary your Pilates practice with a range of props such as the magic circle, foam roller and ball. Experience the classic workout in a new way.

FITNESS

Suspend Fitness Class

Get a total body workout with our Jungle Sport® equipment that will help to improve your strength, flexibility, posture and balance.

HIIT

This high-intensity workout alternates between powerful bursts of exercise and active recovery periods to maximize calorie burn and build endurance through dynamic, full-body movements that boost strength, stamina, and metabolism.
